The Thank You Foundation (www.thethankyoufoundation.org)

The Thank You Foundation is a 501c3 nonprofit organization whose mission is to show appreciation and express gratitude to members of the U.S. Armed Forces both past and present.

The Foundation accomplishes its mission by offering programs and services for Veterans, Military Personnel, and their Families.

The Foundation believes that just saying thank you is not enough and that the words need to be followed with action and a commitment to meet the varied needs of the community it serves.

The Foundation realizes that no one resource can meet all needs and works cooperatively with Federal, State, and County Veteran Services as well as other nonprofit organizations to help and try to meet the needs of those that have given so much for our freedom.
